Phone: 888-423-8462 / Fax: 561-775-4933 / Web: www.4CEUINC.com / Email: Lab@4CEUINC.com

CMP PROGRAM

- Will ASCP Accept CEUINC's Courses?

YES, Continuing Education Unlimited offers courses that are approved by ASCLS P.A.C.E.[®], which are accepted by ASCP. Our P.A.C.E.[®] provider number is #511.

- What Are My Best Continuing Education Options with CEUINC?

We have multiple options for those that need to satisfy CEUs.

LOOKING FOR AN EASY, NO HASSLE WAY TO MEET YOUR CEU REQUIREMENTS?

- Comprehensive Online Package (O-PKG)
 - This package gives the user access for 12 months online to choose individual course titles they are interested in. Most courses are 1, 2, or 3 hours.
- 24 Hour Combination Courses - We have several Combination Courses available (listed below). Each has two 12 hour sections that can be completed separately. Many users will stagger completion of each 12 hours so that they can complete 36 hours over 3 years. New Combo courses are available in the Spring of odd numbered calendar years.
 - Florida Laboratory Combo-15 **(24F-15)** * For Florida licensees
 - Florida Histology Combo-15 **(H24F-15)** * For Florida licensees
 - Laboratory Combo-15 **(24-15)**
 - Histology Combo-15 **(H24-15)**
- Individual Courses - Need just a few hours? This is a great option to order only what you need.

- How many hours do I need for license renewal?

1 CMP Point = 1 Contact Hour = 1 CMLE Credit

The following chart lists the number of contact hours required to satisfy requirements for license renewal for each certification category:

U.S. CMP REQUIREMENTS

Certification Category	CMP required for individuals certified beginning in the year indicated	Total Number of Points Required	Points Distribution*
MLS/MT, MLT	2004	36	<ul style="list-style-type: none"> • 1 point in laboratory or patient safety (i.e., quality control, quality assurance) • 2 points in each of the following: blood banking, chemistry, hematology, microbiology • Remaining points in area(s) of lab specialty, immunology, molecular diagnostics, management, education, or other related laboratory areas of interest
AT, BB, C, CG, CT, H, HT, HTL, M, MB	2004	36	<ul style="list-style-type: none"> • 1 point in laboratory or patient safety (i.e., quality control, quality assurance) • 2 points in area in which you are certified • Remaining points in area of specialty, management, education, or other related laboratory areas of interest
DPT, PBT	2004	9	<ul style="list-style-type: none"> • 1 point in laboratory or patient safety (i.e., quality control, quality assurance) • 2 points in area in which you are certified • Remaining points in area of specialty, management, education, or other related laboratory areas of interest
PA	All who are ASCP Certified	45	<ul style="list-style-type: none"> • 1 point in laboratory or patient safety (i.e., quality control, quality assurance) • 20 points in anatomic pathology • Remaining points in the area(s) of anatomic pathology, management, education, or other clinical specialties
