TOTAL HOURS			12.5

Florida Cytology Combo-19

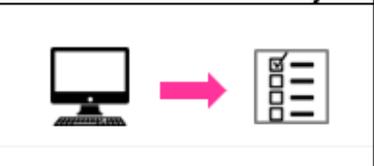

Understanding the Course Formats:

Online Complete

With the Online Complete format, the purchaser receives the reading material in an online document – typically a PDF file – and an online quiz. One copy of the document can be printed out or can be saved to a flash drive to be shared with coworkers or saved for future reference. Remember to save a copy of the document **before** completing the quiz.

Online Quiz Only

With the Online Quiz Only format, the purchaser only receives access to the online quiz. You must have access to the reading material, either through a coworker, your employer, or you can purchase the 'printed book only' option to pair with the online quiz. Most people print out a copy of the quiz & work offline, before entering their answers in the live quiz.

Printed Book Only

Printed Books are **no longer available** for this FL Cyto. Combo Course. *

This course consists of an online PDF file. Once purchased, you are entitled to print 1 copy of each PDF file if you prefer to have a printed copy.

Common Asked Course Questions:

QUESTION: Do you report to Florida's CE Broker?

ANSWER: **Yes.** We report to CE Broker immediately after course completion for online courses and after manual entry for Answer Sheets, provided that your license # is in your profile at the time of course completion.

QUESTION: Why don't you mail Answer Sheets or Certificates of Completion any longer?

ANSWER: There are several reasons, including: ongoing mail delivery problems, timely reporting to CE Broker, and online access allows you to reprint Answer Sheets and Certificates as needed.

QUESTION: Do you still offer a Printed Book for Cytology?

ANSWER: **No.** Two Reasons: 1.) The majority of orders that we received were for the Online Course, therefore, printing just a few books was not cost effective for the customer. 2.) Many times there are important color images in the Cytology courses, so black & white printing did not allow to reader to see important details of those images.

* If you prefer a printed book, you are entitled to print 1 copy of the Online PDF files once you purchase the course.

QUESTION: What are your provider numbers?

ANSWER: ASCLS P.A.C.E. #: 511 | California AA #: 0001 | Florida CE Broker #: 50-2256

QUESTION: How can we set up a new Group for our Lab?

ANSWER: [Click here](#) to learn more about Groups, then click on the pink "Register A New Group" button to fill out form.
