### Understanding the Course Formats:

#### Online Complete

With the Online Complete format, the purchaser receives the reading material in an online document – typically a PDF file – and an online quiz. One copy of the document can be printed out or can be saved to a flash drive to be shared with coworkers or saved for future reference. Remember to save a copy of the document **before** completing the quiz.

#### Online Quiz Only

With the Online Quiz Only format, the purchaser only receives access to the online quiz. You must have access to the reading material, either through a coworker, your employer, or you can purchase the 'printed book only' option to pair with the online quiz. Most people print out a copy of the quiz & work offline, before entering their answers in the live quiz.

#### Printed Book Only

With the Printed Book Only format, the purchaser will receive the printed Combo material mailed to them via the US Post Office. This can be purchased on its own or paired with an Online Quiz Only or Answer Sheet Only. This option has a shipping fee added, plus tax when shipped to FL. Copies are Black & White, with 3-holes punched, **YOU supply the binder**.

#### Answer Sheet Only

With the Answer Sheet Only format, the purchaser will receive a printable Answer Sheet which can be faxed back to our office or uploaded into your online profile. **Changes:** 1.) **YOU** will print your Answer Sheets from your "My Courses" list – this will allow you to reprint the sheets as needed. 2.) **YOU** will print your Certificate from your "Course History" list.

### Common Florida Lab Combo Course Questions:

**QUESTION:** Do you report to Florida's CE Broker?

**ANSWER:** Yes. We report to CE Broker immediately after course completion for online courses and after manual entry for Answer Sheets, provided that your license # is in your profile **at the time of course completion**.

**QUESTION:** What are your provider numbers?

**ANSWER:** ASCLS P.A.C.E. #: 511 | California AA #: 0001 | Florida CE Broker #: 50-2256

**QUESTION:** Does the Printed Book Only come with a 3-ring binder this year?

**ANSWER:** No. Reason: This new Combo is larger & is too thick for a 1 inch binder and the 1.5 inch binders were getting damaged in transit. We apologize for any inconvenience this may cause. The printed book + Answer Sheets (or online quiz) when added together are priced less than last yr. to reflect the change.

**QUESTION:** How can we set up a new Group for our Lab?

**ANSWER:** [Click here](#) to learn more about Groups, then click on the pink "Register A New Group" button to fill out form.
