

Table of Contents

VACCINE BASICS	1
HOW VACCINES WORK.....	1
Immune Reaction Involved in Vaccination	2
Immune Cells Involved With Vaccination.....	3
BIRTH OF THE COVID-19 VACCINE	4
Coronavirus Research Prior to COVID-19	5
Emergency Use Authorization	5
VACCINE TYPES	7
mRNA Vaccines.....	7
mRNA Vaccine Concerns.....	10
mRNA Vaccines in Use In the U.S.	10
Pfizer-BioNTech.....	11
Moderna.....	11
Viral Vector Vaccines	12
Johnson & Johnson (J&J).....	14
COVID-19 VACCINE SIDE EFFECTS.....	15
General Side Effects	15
Reactions To Vaccine Excipients	16
Adjuvants.....	16
Preservatives	17
Stabilizers	17
Manufacturing Residue.....	17
Addressing Common Side Effects	17
When to Seek Medical Attention	17
Reporting Side Effects	18
Special Side Effect Alerts and Warnings	18
Clotting Precautions	19
Myocarditis and Pericarditis.....	19
Mammograms.....	20

Dermal Fillers.....	20
Allergic Reactions, Anaphylaxis, and Vasovagal Reactions.....	21
Allergic Reaction.....	21
Anaphylaxis.....	22
Vasovagal Reaction.....	22
Guillain-Barre Syndrome.....	23
Capillary leak Syndrome.....	23
SPECIAL PATIENT POPULATIONS.....	24
Who Should Not Take The Vaccine.....	25
ADDITIONAL VACCINE INFORMATION.....	25
CONCLUSION.....	25
REFERENCES.....	26
